

Columbia Town Center Residential Community Association, Inc.

Our Mission

The mission of the Columbia Town Center Residential Community Association is to encourage and support the highest quality of life possible in our community, by promoting responsibility and engagement, creating unity and a sense of community throughout our neighborhoods, fostering a sense of security, advocating for the interests of Town Center, and cultivating appreciation for the uniqueness of Town Center, an urban community in a suburban setting.

Our Strategic Initiatives 2014-2016

Initiative 1. Strengthen all residents' concepts of Town Center as a unique community at the heart of Columbia.

Goal: Residents will have opportunities to learn about the uniqueness of Columbia's "downtown".

Initiative 2. So that Town Center remains a desirable place to live, monitor development and maintenance of all properties in our community.

Goal: Enforce the Town Center Covenants equitably.

Goal: Coordinate with condominium associations, always working toward a higher standard of appearance and involvement.

Initiative 3. Engage residents in community life.

Goal: New residents are welcomed and informed.

Goal: All residents have information they need to become involved in Town Center activities.

Goal: Promote the Columbia "Downtown", an urban community in a suburban setting, with access to all amenities through surrounding villages and special amenities in the Mall and at the Lakefront.

Initiative 4. Nurture and develop relationships to attract to Historic Oakland.

Goal: Define what Oakland should be as a gathering place for residents.

Goal: Market as a venue for private events.

Goal: Market as a venue for community events.

Initiative 5. Monitor Planning and Development of Columbia's downtown.

Goal: Advocate for Town Center's interests at the developer and County level of decision-making.
