

# CENTER FOLD

January 2019

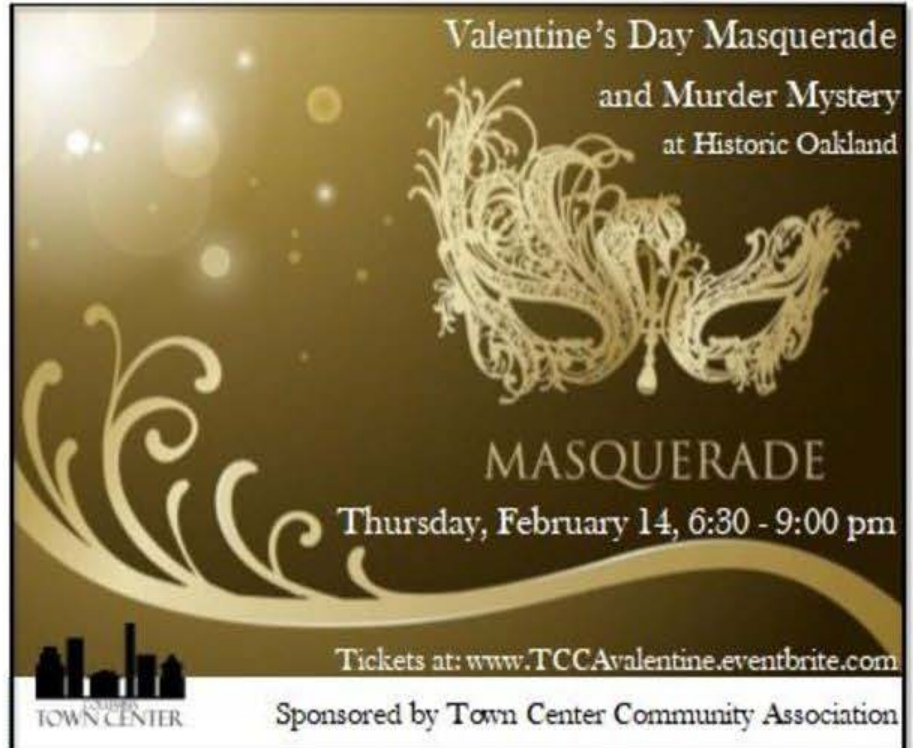

Amesbury Hill • Banneker • Creighton's Run • Lakefront • Vantage Point • Warfield

## Don't Miss These Great Community Events

### Town Center Village Board & Architectural Committee Meeting

Wednesday, January 9, 7:00 pm. Historic Oakland. Deadline for submitting AC applications: January 2.

## Board of Directors Highlights

Lynn Foehrkolb, Town Center Village Board Chair

With the holidays behind us, the Board will be working on several projects. During our last meeting, there was much discussion regarding outreach to the community's condo board presidents and how we can be a positive resource to them.

The Architectural Committee presented their proposed edits to the Architectural Guidelines which we will be reviewing for approval.

Our Traffic and Safety Committee will continue to monitor and influence decisions on traffic control issues as a result of development at the new mall properties. And we will be tracking the development of the Lakefront as each phase develops.

Hope everyone had a peaceful and joyous holiday season!
