THE PROPERTY SUBJECT TO THIS DECLARATION AND AGREEMENT: ANNEXATION OF ADDITIONAL LANDS

SECTION 2.01. The Property described in Exhibit A is a portion of a larger area of land owned by HRD. In addition, HRD may cause additional portions of such larger area of land to be subjected to the terms of this Declaration in

the manner prescribed in Section 2.02 hereof. Each Owner and each Tenant, by the act of becoming such, shall be taken to have acknowledged and agreed (i) that the Property described in Exhibit A and such property as may be annexed pursuant to Section 2.02 hereof shall be the only property subject to the Columbia Town Center Residential Covenants, (ii) that neither anything contained in this Declaration nor in any recorded or unrecorded plat, map, picture, drawing, brochure or other representation of a scheme of development, shall be construed as subjecting or requiring HRD, CPRA, the Association, or any successor or assignee to or of any of the aforementioned, to subject to this Declaration or any other declaration or agreement any property or land now or hereafter owned by any of them other than that described in Exhibit A annexed hereto, and (iii) that the only manner in which any additional land can be subjected to this Declaration shall be by and in accordance with the procedure set forth in Section 2.02 hereof. The fact that terms or provisions set forth in separate or additional declarations and agreements relating to property or lands other than the Property may be similar or identical, in whole or in part, to the provisions set forth in this Declaration shall not be construed to mean that it was the intent or purpose therein to subject any additional property or lands to this Declaration or any terms or provisions thereof.

SECTION 2.02. HRD or any other person owning land in the general area of the Property with the written approval of HRD may, from time to time, annex additional lands to the Property, and thereby subject the same to the Columbia Town Center Residential Covenants, by the execution and filing for recordation among the Land Records of Howard County of any instrument expressly stating an intention so to annex and describing such additional lands to be so annexed. SECTION 2.03. The Restrictions contained in this Declaration shall not apply to the Property or any portion thereof owned or leased by the United States, State of Maryland, Howard County or any instrumentality or agency thereof for so long as such entity shall be the owner or lessee thereof.

ARTICLE III

MEMBERSHIP; VOTING RIGHTS

SECTION 3.01. The Association shall have as members only Owners and Tenants. All Owners and Tenants shall, upon becoming such, be deemed automatically to have become members and there shall be no other qualification for membership. Membership shall be appurtenant to, and shall not be separated from, the ownership of any of the interests described in Sections 1.17 or 1.20 hereof.

SECTION 3.02. All members, so long as the same shall qualify under this Article III, shall be entitled to vote on each matter submitted to a vote at a meeting of members. Each member of the Association shall have one vote, subject to the following exceptions and conditions:

A. If any member owns or holds more than one "Unit" (as defined in Section 1.17 hereof) or lease (in accordance with the terms of Section 1.20 hereof) such member, subject to the provisions of this Article III, shall be entitled to one vote for each such Unit or lease.

B. When any such Unit or lease is owned or held by more than one member as tenants by the entireties, or in joint tenancy or tenancy in common or any other manner of joint or common ownership or interest, such members shall collectively be entitled to only one vote relative to such Unit or lease, and if such members cannot jointly agree as to how that vote should be cast, no vote shall be allowed with respect to such Unit or lease.

C. Any member who is in violation of the Columbia Town Center Residential Covenants, as determined by the Association Board, shall not be entitled to vote during any period in which such violation continues. Any member who fails to pay any dues or any special assessment established by the Association shall not be entitled to vote during any period in which any such dues or assessments are due and unpaid.

D. The Association Board may make such regulations, consistent with the terms of the Columbia Town Center Residential Covenants and the Association Charter, as it deems advisable for any meeting of members, in regard to proof of membership in the Association, evidence of right to vote, the appointment and duties of inspectors of votes, registration of members for voting purposes, and such other matters concerning the conduct of meetings and voting as it shall deem fit.

E. Except as specified in this paragraph and in paragraph F immediately following, no member shall be entitled to assign his right to vote, by power of attorney, or proxy or otherwise, and no vote shall be valid unless cast in person by the individual member, provided, however, (i) that in the case of a corporate member, the vote may be cast by as appropriate officer of such corporation; (ii) that in the case of a joint or common ownership as set forth in subparagraph B of this Section 3.02, any one such member shall be entitled to cast the vote with respect to the Unit or lease in question; (iii) that members unable to attend a meeting at which Directors of the Association are to be elected or at which a representative to the Columbia Council is to be elected shall be entitled to file a written vote under absentee balloting regulation provided in the By-Laws, and (iv) agencies or instrumentalities of the Federal Government, if otherwise entitled to vote, may vote by written proxy.

F. On any matter submitted to the members for vote, other than the election of Directors of the Association or the election of a representative to the Columbia Council, any member entitled to vote may cast a vote without attending the meeting in question by either of the following procedures, at his election:

(i) The member may sign a written proxy designating a particular individual to cast the member's vote on any issue coming before a particular meeting (other than the aforesaid excluded matters), which proxy shall be valid only with respect to the meeting specified therein; or

(ii) file a written statement with the Board of Directors prior to the meeting in question, specifying the issue on which the member intends to vote (other than the aforesaid excluded matters) and that the member votes for or against the same.

Any vote cast under either of the procedures set forth in this Paragraph F shall have the same force and effect as if the member in question had appeared at the meeting and had cast his vote in person.

SECTION 3.03. The Association shall adopt By-Laws specifying the method by which it will be appraised of the names and addresses of all Owners and Tenants and the number of votes to which each is entitled as provided in Section 3.02 hereof.

ARTICLE IV

ASSOCIATION DUES AND ASSESSMENTS

SECTION 4.01. The Association Board shall have the right to charge members reasonable dues and to assess reasonable pro rata assessments for capital improvements; provided, however, that such dues and assessments shall not be enforceable obligations against any member nor shall they create liens against any part of the Property. The sole remedy for nonpayment of such dues or assessments shall be the suspension of the delinquent member's voting rights (except with respect to the casting of a vote for a representative to the Columbia Council) and the right to use Association Land until such payment is made, but no such suspension shall in any manner relieve the member of the obligation to

abide by all Columbia Town Center Residential Covenants. In order to regain the right to vote and to use Association Land, the delinquent member need pay only the then current dues and assessments and need not pay delinquent dues and assessments for prior years.

ARTICLE V

PROPERTY RIGHTS

SECTION 5.01. Every member shall have a right and easement of enjoyment in and to Association Land and such easement shall be appurtenant to and shall pass with any of the interests described in Sections 1.17 or 1.20 hereof. All rights and easements are subject to the right of the Association, in accordance with the Association Charter and By-Laws;

- (a) to limit the number of guests of members in or upon any Association Land or any facilities located thereon;
- (b) to charge reasonable admission and other fees for the use of any recreational facilities situated upon Association Land;
- (c) to borrow money for the purpose of improving Association Land and in aid thereof to mortgage the same;
- (d) to suspend the voting rights and right to use any such recreational facilities by a member (i) for any period during which any dues or any assessment remain unpaid, (ii) for any period during which a violation of the Columbia Town Center Residential Covenants exists, and (iii) for a period not to exceed 30 days for any infraction of rules and regulations adopted and promulgated by the Association;
- (e) to grant easements or rights-of-way to any public utility corporation or public agency;
- (f) to dedicate or transfer all or any part of the Association Land to any public agency or authority or to CPRA for such purposes and subject to such conditions as may be agreed to by the Association and such transferee. No such dedication or transfer shall be effective unless an instrument signed by members entitled to cast two-thirds (2/3rds) of the votes has been properly filed among the records of the Association, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every member not less than thirty (30) days nor more than sixty (60) days in advance of the meeting at which such instrument is first presented for signature.

SECTION 5.02. A member's right of enjoyment in Association Land shall automatically extend to all members of his immediate family residing on any part of the Property. No guests shall be entitled to exercise such right of enjoyment or to any use of Association Land except as provided in, and subject to, such regulations as may be promulgated by the Association Board.

ARTICLE VI

COVENANTS FOR MAINTENANCE

SECTION 6.01. Each Owner shall keep all Lots owned by him, and all improvements therein or thereon, in good order and repair, including but not limited to, the seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery and the painting (or other appropriate external care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management. If, in the opinion of the "Architectural Committee", as hereinafter defined, any Owner fails to perform the duties imposed by the preceding sentence, HRD (or CPRA or the Association by written delegation of right and authority from HRD) during the Development Period and thereafter CPRA or the Association, after approval by a two-thirds (2/3rds) decision of the

Association Board, and after fifteen (15) days' written notice to the Owner to remedy the condition in question, shall have the right, through its agents and employees, to enter upon the Lot in question and to repair, maintain, repaint and restore the Lot or such improvements and the cost thereof shall be a binding personal obligation of such Owner as well as a lien (enforceable in the same manner as a mortgage) upon the Lot in question. In the event of such action by CPRA or the Association during the Development Period either of such entities shall act only in its own right pursuant to any such delegation and shall not act as an agent of HRD for such purpose.

SECTION 6.02. The lien provided in Section 6.01 hereof shall be in favor of the entity acting but shall not be valid as against a bona fide purchaser (or bona fide mortgagee) of the Lot in question unless a suit to enforce said lien shall have been filed in a court of record in Howard County prior to the recordation among the Land Records of Howard County of the deed (or mortgage) conveying the Lot in question to such purchaser (or subjecting the same to such mortgage).

ARTICLE VII

ARCHITECTURAL COMMITTEE; ARCHITECTURAL CONTROL

SECTION 7.01. The "Architectural Committee" shall be composed of those three or more individuals so designated from time to time (i) by HRD during the Development Period and (ii) by CPRA and the Association after the Development Period, CPRA being entitled at all times after the Development Period to appoint a majority thereof. Except as hereinafter provided, the affirmative vote of a majority of the membership of the Architectural Committee shall be required in order to adopt or promulgate any rule or regulation, or to make any findings, determinations, ruling or order, or to issue any permit, authorization or approval pursuant to directives or authorizations contained herein. With regard to review of plans and specifications as set forth in this Article VII, however, and with regard to all other specific matters (other than the promulgation of rules and regulations) as may be specified by resolution of the entire Architectural Committee, each individual member of the Architectural Committee shall be authorized to exercise the full authority granted herein to the Architectural Committee. Any approval by one such member of any plans and specifications submitted under this Article VII, or the granting of any approval, permit or authorization by one such member in accordance with the terms hereof, shall be final and binding. Any disapproval, or approval based upon modification or specified conditions by one such member shall also be final and binding, provided, however, that in any such case, any applicant for such approval, permit or authorization may, within ten (10) days after receipt of notice of any such adverse decision, file a written request to have the matter in question reviewed by the entire Architectural Committee. Upon the filing of any such request, the matter with respect to which such request was filed shall be submitted to and reviewed as soon as possible by the entire Architectural Committee. Thereafter, the decision of a majority of the members of the Architectural Committee with respect to such matter shall be final and binding.

SECTION 7.02. No Structure shall be commenced, erected, placed, moved on to or permitted to remain on any Lot, nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance thereof, nor shall any new use be commenced on any Lot, unless plans and specifications (including a description of any proposed new use) therefore shall have been submitted to and approved in writing by the Architectural Committee. Such plans and specifications shall be in such form and shall contain such information, as may be required by the Architectural Committee, but in any event shall include (i) a site plan of the Lot showing the nature, exterior color scheme, kind, shape, height, materials and location with respect to the particular Lot (including proposed front, rear and side setbacks and free spaces, if any are proposed) of all Structures, the location thereof with reference to Structures on adjoining portions of the Property, and the number and location of all parking spaces and driveways on the Lot; and (ii) grading and landscaping plans for the particular Lot.

SECTION 7.03. The Architectural Committee shall have the right to disapprove any plans and specifications submitted hereunder because of any of the following:

(a) the failure of such plans or specifications to comply with any of the Columbia Town Center Residential Covenants;

(b) failure to include information in such plans and specifications as may have been reasonably requested;

(c) objection to the exterior design, appearance or materials of any proposed Structure;

(d) incompatibility of any proposed Structure or use with existing Structures or uses upon other Lots in the vicinity;

(e) objection to the location of any proposed Structure upon any Lot or with reference to other Lots in the vicinity;

(f) objection to the grading and landscaping plans for any Lot;

(g) objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any proposed Structure;

(h) objection to parking areas proposed for any Lot on the grounds of (i) incompatibility to proposed uses and Structures on such Lot or (ii) the insufficiency of the size of parking areas in relation to the proposed use of the Lot; or

(i) any other matter which, in the judgment of the Architectural Committee, would render the proposed Structure, Structures or uses inharmonious with the general plan of improvement of the Property or with Structures or uses located upon other Lots in the vicinity.

In any case where the Architectural Committee shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case the Architectural Committee shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal can be prepared and submitted for approval.

SECTION 7.04. Upon approval by the Architectural Committee of any plans and specifications submitted hereunder, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Committee, and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same.

SECTION 7.05 The Architectural Committee may promulgate rules governing the form and content of plans to be submitted for approval or requiring specific improvements on the Lots, including, without limitation, exterior lighting and planting, and may issue statements of policy with respect to approval or disapproval of the architectural styles or details, or other matters, which may be presented for approval. Such rules and such statements of policy may be amended or revoked by the Architectural Committee at any time, and no inclusion in, omission from or amendment of any such rule or statement shall be deemed to bind the Architectural Committee to approve or disapprove any feature or matter subject to approval, or to waive the exercise of the Architectural Committee's discretion as to any such matter, but no change of policy shall affect the finality of any approval granted prior to such change. Approval for use on any Lot of any plans or specifications shall not be deemed a waiver of the Architectural Committee's right, in its discretion, to disapprove such plans or specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use on any Lot or Lots. Approval of any such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be revoked or rescinded thereafter, provided (i) that the Structures or uses shown or described on or in such plans and specifications do not violate any specific prohibition contained in the Columbia Town Center Residential Covenants and (ii) that the plans

specifications, as approved, and any condition attached to any such approval, have been adhered to and complied with in regard to all Structures on and uses of the Lot in question.

In the event that the Architectural Committee fails to approve or disapprove any plans and specifications as herein provided within sixty (60) days after submission thereof, the same shall be deemed to have been approved, as submitted, and no further action shall be required.

SECTION 7.06. If any Structure shall be altered, erected, placed or maintained upon any Lot, or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the Architectural Committee pursuant to the provisions of this Article VII, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of this Article VII and without the approval required herein, and upon written notice from the Architectural Committee, any such Structure so altered, erected, placed or maintained upon any Lot in violation hereof shall be removed or realtered, and any such use shall be terminated, so as to extinguish such violation.

If fifteen (15) days after the notice of such a violation the Owner of the Lot upon which such violation exists shall not have taken reasonable steps toward the removal or termination of the same, HRD (or CPRA or the Association by written delegation of right and authority from HRD) during the Development Period and thereafter CPRA or the Association shall have the right, through its agents and employees, to enter upon such Lot and to take such steps as may be necessary to extinguish such violation and the cost thereof shall be a binding, personal obligation of such Owner as well as a lien (enforceable in the same manner as a mortgage) upon the Lot in question. In the event of such action by CPRA or the Association during the Development Period, either of such entities shall act only in its own right pursuant to any such delegation and shall not act as an agent of HRD for such purpose. The lien provided in this Section 7.06 shall be in favor of the entity acting but shall not be valid as against a bona fide purchaser (or bona fide mortgagee) of the Lot in question unless a suit to enforce said lien shall have been filed in a court of record in Howard County prior to the recordation among the Land Records of Howard County of the deed (or mortgage) conveying the Lot in question to such purchaser (or subjecting the same to such mortgage).

SECTION 7.07. Upon completion of the construction or alteration of any Structure in accordance with plans and specifications approved by the Architectural Committee, the Architectural Committee shall, upon written request of the Owner thereof, issue a certificate of compliance in form suitable for recordation, identifying such Structure and the Lot on which such Structure is placed, and stating that the plans and specifications, the location of such Structure and the use or uses to be conducted thereon have been approved and that such Structure complies therewith. Preparation and recording of such certificate shall be at the expense of such Owner. Any certificate of compliance issued in accordance with the provisions of this Section 7.07 shall be prima facie evidence of the facts therein stated, and as to any purchaser or encumbrancer in good faith and for value, or as to any title insurer, such certificate shall be conclusive evidence that all Structures on the Lot, and the use or uses described therein comply with all the requirements of this Article VII, and with all other requirements of this Declaration as to which the Architectural Committee exercises any discretionary or interpretive powers.

SECTION 7.08. The Architectural Committee may charge and collect a reasonable fee for the examination of any plans and specifications submitted for approval pursuant to this Article VII, payable at the time such plans and specifications are so submitted, provided, that such fee shall not exceed the amount chargeable by the appropriate governmental authority for the application for and processing of building permits for structures on the Lot with regard to which such plans and specifications are submitted.

SECTION 7.09. Any agent of HRD or of the Architectural Committee or of CPRA or the Association when the latter two entities are entitled to exercise rights of enforcement hereunder may at any reasonable time or times enter upon and inspect any Lot and any improvements thereon for the purpose of ascertaining whether the maintenance of such Lot and the maintenance, construction or alternation of Structures thereon are in compliance with the provisions hereof; and

neither HRD, CPRA, the Association nor the Architectural Committee nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

ARTICLE VIII

The Architectural Committee, in its discretion, may adopt and promulgate rules and regulations regarding the preservation of trees and other natural resources and wildlife upon the Property. If it shall deem it appropriate, the Architectural Committee may mark certain trees, regardless of size, as not removable without written authorization. In carrying out the provisions of this Section 8.02, the Architectural Committee and its agents may come upon any Lot during reasonable hours for the purpose of inspecting or marking trees or in relation to the enforcement and administration of any rules and regulations adopted and promulgated pursuant to the provisions hereof. Neither the Architectural Committee, nor its agents shall be deemed to have committed a trespass or wrongful act by reason of any such entry or inspection.

SECTION 8.03. No birds, animals or insects shall be kept or maintained on any Lot except for domestic purposes. Under no circumstances shall any commercial or business enterprise involving the use of animals be conducted on the Property without the express written consent of the Architectural Committee. The Architectural Committee may, from time to time, publish and impose reasonable regulations setting forth the type and number of animals that may be kept on any Lot.

SECTION 8.04. No sign or other advertising device of any nature shall be placed upon any Lot except as provided herein. The Architectural Committee may, in its discretion, adopt and promulgate rules and regulations relating to signs which may be employed. During construction of any improvements on the Property, the Owner shall keep any construction site free of unsightly accumulations of rubbish and scrap materials, and construction materials, trailers, shacks and the like employed in connection with such construction shall be kept in a neat and orderly manner. If trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers may be placed in the open, on any day that a pickup is to be made, at such place on the Lot so as to provide access to persons making such pickup. At all other times such containers shall be stored in such a manner so that they cannot be seen from adjacent and surrounding property. The Architectural Committee, in its discretion, may adopt and promulgate reasonable rules and regulations relating to the size, shape, color and type of containers permitted and the manner of storage of the same on the Property.

SECTION 8.07. No water pipe, gas pipe, sewer pipe or drainage pipe shall be installed or maintained on any Lot above the surface of the ground, except hoses and movable pipes used for irrigation purposes. No Lot shall be used for the purpose of boring, mining, quarrying, exploring for or removing oil or other hydrocarbons, minerals, gravel or earth.

SECTION 8.08. HRD (or CPRA or the Association by written delegation of right and authority from HRD) during the Development Period and thereafter CPRA and the Association shall have the right to enter upon any Lot and trim or prune, at the expense of the Owner, any hedge or other planting which in the opinion of the Architectural Committee, by reason of its location upon the Lot or the height to which it is permitted to grow, is reasonably detrimental to the adjoining property or obscures the view of street traffic or is unattractive in appearance; provided, however, that the Owner shall be given written notice fifteen (15) days prior to such action.

ARTICLE IX

HRD and CPRA shall also have the right at the time of, or after, grading any street, or any part thereof, to enter upon any abutting Lot and grade the portion of such Lot adjacent to such street to a slope of 2 to 1, but there shall be no obligation on either of them to do such grading or to maintain the slope.

SECTION 10.03. Neither the Property or any portion thereof, nor any building or other Structure erected thereon shall be used or permitted to be used, temporarily or permanently for any of the following purposes, namely: (i) for the establishment or maintenance thereon of any department store, discount department store or variety store; nor shall any Lot within the said Property except those designated by HRD for Village Center or Neighborhood Center use on Final Development Plans to be in any way used, or combined with or used in connection with any other property or any other Lot within the Property as a shopping center or as a retail sales establishment other than for purposes specifically permitted by HRD by an instrument executed and recorded as required by law for a deed; (ii) for an amusement park or for the operation of ferris wheels, merry-go-rounds, roller coasters, haunted or fun houses, barrel rolls, side shows, penny arcades, live animal shows, marine life shows or wild animal preserves (provided this (ii) shall not prohibit temporary uses otherwise prohibited for periods not exceeding two consecutive weeks in any three month period or rides intended primarily for children under twelve (12) years of age). The provisions of this Section 10.03 shall inure to the benefit of and be enforceable solely by HRD, shall be capable of being amended or deleted in whole or in part by HRD without the consent of any other person and shall not give any third party any right or cause of action on account of the terms thereof.

Nothing herein contained shall be deemed to affect or limit the rights of the Owners of the Lots within the Property, when entitled to do so, to enforce the Columbia Town Center Residential Covenants by appropriate judicial proceedings.

SECTION 14.02. The failure of HRD, CPRA, the Association or the Owner of any Lot included in the Property, their respective legal representatives, heirs, successors and assigns, to enforce any provision herein contained shall in no event be considered a waiver of the right to do so thereafter, as to the same violation or breach or as to any violation or breach occurring prior or subsequent thereto.

SECTION 14.03. No provision herein is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

SECTION 14.04. The determination by a court that any provision thereof is invalid for any reason shall not affect the validity of any other provision hereof.

SECTION 14.05. Damages shall not be deemed adequate compensation for any breach or violation of any provision hereof, but any person or entity entitled to enforce any provision hereof shall be entitled to relief by way of injunction as well as any other available relief either at law or in equity.

Any conflict between any construction or interpretation herein provided for and that of any other person or entity entitled to enforce the provisions hereof shall be resolved in favor of the construction or interpretation of HRD (or of CPRA or the Architectural Committee when acting as set forth above).

CPRA and the Architectural Committee to the extent of their respective functions hereunder and rights specifically provided herein, may adopt and promulgate reasonable rules and regulations regarding the administration, interpretation and enforcement of the provisions of this Declaration. In so adopting and promulgating such rules and regulations, and in making any finding, determination, ruling or order or in carrying out any directive contained herein relating to the issuance of permits, authorizations, approvals, rules or regulations, CPRA and the Architectural Committee shall take into consideration the best interests of the Owners and Tenants and of the Property to the end that the Property shall be preserved and maintained as a high quality community.

In granting any permit, authorization, or approval, as herein provided, CPRA and the Architectural Committee may impose any conditions or limitations thereon as they shall deem advisable under the circumstances of each case in light of the considerations set forth in the immediately preceding paragraph hereof.

SECTION 14.08. The headings of the Articles herein are for convenience only and shall not affect the meanings or interpretation of the contents thereof.

SECTION 14.09. No violation of any of these Columbia Town Center Residential Covenants shall defeat or render invalid the lien of any mortgage made in good faith and for value upon any portion of the Property; provided, however, that any mortgagee in actual possession, or any purchaser at any mortgagees' or foreclosure sale shall be bound by and subject to these Columbia Town Center Residential Covenants as fully as any other Owner of any portion of the Property.

SECTION 14.10.
